

YOGURT EXPORTS

yogurt exports
with guaranteed
thermal
protection &
full shipment
management

We offer you a comprehensive solution
specifically and exclusively designed for
the safe air export of Greek yogurt to
foreign markets and third countries.

**Our goal is to offer you a “door to door”
solution without any action on your part.**

**We will be happy to discuss possible
cooperation and adapt our solution to
your needs.**

Palletizing & thermal product protection

We use specially designed insulation and protective pallet covers, which ensure **a constant temperature of 0–4°C for up to 4 days**, even in demanding transport and transit conditions.

This **eliminates the risk of spoilage** and ensures quality until the final destination.

Undertaking the full shipping process

We take care of the entire export process, including:

- transportation organization (air)
- preparation and control of documents
- customs clearance procedures
- coordination with warehouses and customers

CASS ASSOCIATE

Ef Zin Greece has been officially certified as an IATA CASS Partner, booking priority seats on airlines with full IATA recognition.

why our clients trust us

- Daily shipments
- Reliable thermal protection with monitoring
- Proven performance in real load conditions
- Lightweight but guaranteed durable construction
